

Janice's friend Kathryn's Corn Casserole

15 oz. can whole kernel corn (undrained)

14.75 oz. can creamed corn

8 oz. sour cream

1 stick of melted butter

2 eggs (slightly beaten)

1 box Jiffy corn bread mix

salt, pepper, sugar to taste (I usually add none of these)

Mix above ingredients in a large bowl. Spoon mixture into a casserole dish. This makes about 100 cubic inches of casserole. Bake at 350°F for about one hour (longer for a deeper casserole and shorter for a thinner casserole.)
