- Homework (online, assigned in recitation) 5%
- Quizzes (every Thursday in recitation except Exam weeks) 10%
- Labs (Maple) 10%
- Recommended Homework from Stewart
<http://calclab.math.tamu.edu/docs/math151/syllabus/currenthw.html> (not graded) 0%

- **General Policies**

- **Attendance** is crucial to your success in this class. You are responsible for all information presented in class, including but not limited to: announcements, changes to the syllabus and material presented in lectures.
- **Calculators** are never permitted on any exam or quiz, unless specified in advance.
- **Make-Up Exams** will only be given in cases of excused absences outlined in the Student Rules, see <http://student-rules.tamu.edu/rule7.htm> for details. Documentation is required for all excused absences. Make-up exams must be taken within **one week** of the regularly scheduled exam. You should make every effort to take the exam at the regular time. Make-up exams are often harder, and should be taken only as a last resort.
- **Regrades** If you feel there is a grading error on your exam, you must submit a written regrade request within one week of the day the exam is returned to you. This includes point total errors and oversights.
- **Academic Integrity:** The Aggie Honor Code: “An Aggie does not lie, cheat or steal or tolerate those who do.” Cheating includes receiving or providing help on exams, copying work or allowing others to copy your work without instructors permission and using any unapproved form of technology or notes on exams.
- **Disabilities Act:** The Americans with Disabilities Act is a federal anti-discrimination statute that provides comprehensive civil rights protection for persons with disabilities. For more information, contact the Disability Services Office in Room B116 of Cain Hall or call 862-4570. I must have documentation from the DSO of the necessary accommodations at least 2 days **before** any quiz or exam in order to make appropriate arrangements.
