Changing Your Homepage Settings

Navigating to the Settings tab

- Log in to WebAssign and click on ‘My Options’ in the upper right corner of your screen.

- From the ‘My Options’ window up, click on the ‘Settings’ tab

Changing Your Homepage

- Once at the 'Settings' tab, 'Homepage' is the second to last section. To change your homepage, click the radio button next to the desired homepage view (Note: if you choose any of the options on the left, you may choose a course context if you wish by selecting it from the drop down menu beneath Calendar)

Select Here OR Here

Home Page

Select a homepage and a course context if necessary.
