PRINT OPTIONS

The screenshot shows the Cengage Unlimited website interface. At the top, there is a navigation bar with the Cengage Unlimited logo on the left and 'SUPPORT', a notification bell, and a user profile icon on the right. Below the navigation bar is a search bar with the placeholder text 'Find more learning materials'. A secondary navigation bar contains icons for 'My Home', 'Explore Catalog', 'Study Resources', and 'Print Options'. The 'Print Options' icon is highlighted with a red box, and a red arrow points from it towards the right. Below the navigation bar, there is a section titled 'Print Rentals from Chegg'. This section includes a sub-header 'Print Rentals from Chegg' and a paragraph: 'With Cengage Unlimited, you get a print rental for only \$7.99 (Free Shipping). Keep the book for the duration of your course. Rentals are provided by Chegg, our trusted partner.' Below this, two textbook listings are shown. The first listing is for 'Essential Calculus | 2nd Ed' by James Stewart, with ISBN 13: 9781133112297. It features a book cover image on the left. To the right of the book title, the price '\$7.99 (Free Shipping)' is displayed in a red box, and below it is an orange button that says 'RENT FROM CHEGG'. The second listing is for 'Essential Calculus, Loose-leaf Version | 2nd Ed' by James Stewart, with ISBN 13: 9781337693011. It also features a book cover image on the left. To the right of the book title, the price '\$46.95' is displayed in a red box, and below it is a yellow button that says 'ADD TO CART'. At the bottom of the second listing, there is a red italicized text: 'Purchase a looseleaf version to keep'.

WANT PRINT?

Students enrolled in a digital course (MindTap, WebAssign, etc.) who have subscribed to Cengage Unlimited are eligible to get a print rental of the assigned textbook for just **\$7.99 + free shipping.**

They can keep the textbook rental for the entire duration of their Cengage Unlimited subscription!

OR, rather own the textbook? Cengage Unlimited subscribers can purchase the looseleaf version at a discounted price.
