

**Calculator, Textbook, and Electronic  
Homework Information for  
Math 141 at TAMU**

# Calculator

- Math 141 requires the use of one of the following approved graphing calculators:
  - TI-83
  - TI-83 Plus
  - TI-84
  - TI-84 Plus
  - TI-Nspire non CAS

Many local retail stores sell these calculators.

# eBook and Homework Access Code

- When you registered for Math 141, you paid for access to the Math 141 eBook and to the electronic homework system. To access the eBook and electronic homework, go to the URL below and click on the Log In button.

# eBook and Homework Access Code

- You now have access to the eBook and the online homework assignments.
- For more information regarding the online homework assignments, go to <http://www.math.tamu.edu/courses/eHomework/>
- To access the eBook, go to “About this Class” section of the class homepage, and click on the link next to the picture of the textbook’s cover.

- If you would like a hard copy of the Math 141 textbook (in loose leaf format), you may purchase one at a local bookstore.

- A new window containing the eBook will appear. Play around with all the tools in the interactive eBook.

The screenshot displays the user interface for the 'Finite Mathematics TAN' eBook. At the top, a blue header contains the title 'Finite Mathematics TAN' and a 'Student Preview' button. A search bar is located to the right of the header. Below the header, a navigation bar includes buttons for 'Contents' and 'Media', along with a 'Notes...' field and various utility icons like YouTube, a link icon, a pencil, a zoom slider set to 100%, a magnifying glass, a hand cursor, a printer, and a help icon. Two callout boxes are present: a pink one pointing to the 'Contents' button with the text 'Navigate through your book here.', and a yellow one pointing to the 'Media' button with the text 'Access videos here.'.

The main content area is split into two panels. The left panel, titled 'Table of Contents', shows a list of chapters with expandable arrows:

- ▶ Front Matter
- ▶ 1 Straight Lines and Linear Functions
- ▶ 2 Systems of Linear Equations and Matrices
- ▶ 3 Linear Programming: A Geometric Approach
- ▶ 4 Linear Programming: An Algebraic Approach
- ▶ 5 Mathematics of Finance
- ▶ 6 Sets and Counting
- ▶ 7 Probability
- ▶ 8 Probability Distributions and Statistics
- ▶ 9 Markov Chains and the Theory of Games
- ▶ Reference Pages

The right panel displays the book's cover, which features the title 'TAN Finite Mathematics' and the subtitle 'For the Managerial, Life, and Social Sciences Tenth Edition'. The cover art includes a blue background with the letters 'TAN', a lightning bolt, a crowd of people, and a blue car in front of wind turbines.

At the bottom of the interface, there is a footer with the text 'Cengage Inc. © All rights reserved.' and a navigation bar with a back arrow, a 'cover' button, a forward arrow, and icons for a table of contents, a list, and a search function. On the far right of the bottom bar are buttons for 'My Preferences' and 'Student Discussion'.
