# Setting Special Notifications

- Click on the Notification Contact Info tab and verify that the email address in the system is correct. If your email address is correct, click on Verify this email address. If it is not correct, fill out a eHmwk student help form stating you want your email address in WebAssign changed, and the online homework director will change your email address.

Settings **Notification Contact Info**

Email Address: jwhitfd@math.tamu.edu  
IMPORTANT: This email must be verified.  
Verify this email address

**Click here if email address is correct.**

WARNING: This will change your email address in WebAssign. If you wish to continue, please fill out the form fields below.

New Email Address:

Password:

**Since we use NetID to Log in, TAMU can not use this part of the form. To change your email address, fill out a student help request form.**
