SMaRT CAMP 2011

The NSF supported SMaRT (Summer Mathematics Research Training) Camp is a two-week program at Texas A&M University. It is intended to facilitate interest in mathematics of advanced High School Students.

Topics
The main topics will revolve around number theory, combinatorics, and algebra. Some important applications will also be addressed. The more advanced topic “Intuitive Topology” will be offered to the returning students.

Eligibility
• High School Students
• Ages 14-18
• U.S.A. citizenship or permanent residency is required.
• Students from underrepresented groups are highly encouraged to apply.

Camp Date:
June 12 – June 25, 2011

Application deadline:
March 31, 2011
Review of applications starts March 2, 2011 and continues until the program is filled.

Support:
• Room and board will be covered for accepted participants.
