SMaRT CAMP 2012

The NSF supported SMaRT (Summer Mathematics Research Training) Camp is a two-week program at Texas A&M University. It is intended to facilitate interest in mathematics of advanced High School Students.

Topics

The main topics will revolve around number theory, combinatorics, and algebra. Some important applications will also be addressed. The more advanced topic “Combinatorial Geometry” will be offered to the returning students.

Eligibility

- High School Students
- Ages 14-18
- U.S.A. citizenship or permanent residency is required.
- Students from underrepresented groups are highly encouraged to apply.

Texas A&M University
Department of Mathematics
