

DEPARTMENT OF MATHEMATICS GRADER APPLICATION

KEEP THIS PAGE FOR YOUR INFORMATION

Information about the grader positions:

Only applicants who have received an A or B in a math class will be considered to grade for that class or its equivalent.

The hiring process is done via e-mail. You **MUST** have a valid e-mail account in your name before you will be considered for a grader position.

Hiring will be done during the first two weeks of the fall and spring semesters. Candidates for the grader positions will be contacted during that time. **YOU MUST CHECK YOUR E-MAIL DAILY** during the first two weeks of each semester and reply immediately in order to be considered for a position.

Applications are accepted throughout the year. Due to changes in personal data, a new application should be submitted each fall semester. No application will be kept on file for longer than one year.

No grader positions are available during summer sessions.

Grades are hired to grade up to four classes each semester and each class may require up to 5 hours of work per week.

The pay rate is \$6.15 per hour for 100-level classes and \$7 per hour for courses that are 200-level and above.

After completion of this form, please send it to Blocker 601.

Revised 11/1/07 Robert W. Wheeler

DEPARTMENT OF MATHEMATICS GRADER APPLICATION

Complete all information accurately. YOU MUST PROVIDE A COMPLETE E-MAIL ADDRESS.

Driver License _____

Number of hours requested per week: 5 __ 10 __ 15 __ 20 __
