Help Session and Week in Review: Help sessions are come-and-go times where you can ask questions and get help with your homework from the student Help Session leaders. For more information, see the link on my webpage. The Week in Review is a weekly session led by an instructor to review the topics of the previous week and to provide additional examples. On the weeks of exams, the Week in Review will be an exam review. This semester, I will be doing the Week in Review. Problem sets will be posted on the Week in Review webpage (www.math.tamu.edu/~baurispa/math150/150wir08c.html).

Make-up Policy: Make-up exams and quizzes or late homework will NOT be allowed unless a **University approved reason is given to me in writing**. Notification before the absence is required when this is possible. Otherwise, you must notify me within 2 working days of the missed exam, quiz, or assignment to arrange a makeup. See University Student Rules for more guidelines. In all cases where an exam/quiz/assignment is missed due to an injury or illness, whether it be more or less than 3 days, **I require a doctor's note**. Further, an absence due to a non-acute medical service or appointment (such as a regular checkup) is *not* an excused absence.

Grade Appeals: If you believe an error has been made in grading, you have until the next class period after the exam, quiz, or assignment has been handed back to let me know. Otherwise, you must accept the grade you received.

Canceled Class: If class is canceled for any reason, whatever was planned for the canceled day will be done the next day of class, including an exam or quiz.

Copyright: All printed handouts and web-materials are protected by US Copyright Laws. No multiple copies can be made without written permission by the instructor.

ADA Policy: The American with Disabilities Act (ADA) is a federal anti-discrimination statute that provides comprehensive civil rights protection for persons with disabilities. Among other things, this legislation requires that all students with disabilities be guaranteed a learning environment that provides for reasonable accommodation of their disabilities. If you believe you have a disability requiring an accommodation, please contact Disability Services, in Cain Hall, Room B118, or call 845-1637. For additional information visit <http://disability.tamu.edu>.

Academic Integrity Statement: Cheating and other forms of academic dishonesty **will not** be tolerated. Working in groups on homework is fine as long as you understand what is going on. Please do not compromise your integrity for the sake of temporary benefits. **Aggie Honor Code:** “An Aggie does not lie, cheat, or steal, or tolerate those who do.” For more information on academic integrity, see the Honor Council Rules and Procedures at <http://www.tamu.edu/aggiehonor>.

Note: This class covers a lot of material and moves quickly. It is *very* important that you keep up with the suggested homework and that you do not fall behind. Please don't hesitate to ask questions in class, to come to my office hours, or to send me an e-mail. My goal is not to cram information into your head, but to help you learn. If you are not understanding the concepts, please ask for help. Don't wait until the day before an exam to try and grasp the material. There are week-in-reviews and help sessions regularly, as well as streaming videos and other materials online. Please take advantage of these resources.
