MATH 304 ASSIGNMENT 2

All problems are from Leon’s *Linear Algebra*, eighth edition, unless otherwise specified. Turning in extra problems will *not* result in any extra credit.

0. NOT TO BE TURNED IN

The following problems are meant to test your understanding but do not need to be turned in.

- Section 1.2: Problems 1, 2, 3.
- Section 1.3: Problems 1, 2, 3, 4, 13, 14.
- Section 1.4: Problems 1, 10, 11.

1. TO BE TURNED IN

Please complete these problems on a separate sheet of paper and hand them in.

- Section 1.2: Problems 5e, 5j, 10, 16.
- Section 1.3: Problem 7.
- Section 1.4: Problems 12 and 21.

2. EXTRA PRACTICE (ALSO NOT TO BE TURNED IN)

These problems are suggested in case you would like extra practice with the concepts from class. They are not to be turned in.

- Section 1.2: Problems 5, 6, 11, 12.
- Section 1.3: Problems 5, 6, 8.
- Section 1.4: Problems 12, 13, 16, 30.
