Prerequisites: Math-172 or equivalent.

Text: Stewart: *CALCULUS*, Early Vectors

Grading Policy: There will be three exams worth 100 points, and a comprehensive final exam, also worth 100 points. In addition, there will be 10 weekly quizzes, each worth 10 points.

Syllabus: See online at <http://calclab.math.tamu.edu/docs/math221/> (this is the departmental course homepage), use link to Course Schedule.

Scholastic Dishonesty: Copying work done by others and passing it off as one's own is an act of scholastic dishonesty and will not be tolerated. However, permission for collaboration on *homework* is hereby granted.

Americans with Disabilities Act: The Americans with Disabilities Act (ADA) is a federal anti-discrimination statute that provides comprehensive civil rights protection for persons with disabilities. Among other things, this legislation requires that all students with disabilities be guaranteed a learning environment that provides for reasonable accommodation of their disabilities. If you believe you have a disability requiring an accommodation,

please contact the office of Disability Services in Cain Hall (telephone 979-845-1637).
