

*Math 411-100: Mathematical Probability ,  
1st Summer Session 2009*

Professor Emil J. Straube

MTWRF 10:00-11:35, BLOC 164

**Office:** Miln 215, 845 3721, [straube@math.tamu.edu](mailto:straube@math.tamu.edu)

**Office hours:** daily 11:45-12:30, and by appointment

**Prerequisites:** Math-221 or equivalent.

**Text:** Elementary Probability for Applications by Richard Durrett, see <http://www.math.cornell.edu/%7Edurrett/EP4A/EP4A.html> for *free download*

**Grading Policy:** There will be two in-semester exams and a (comprehensive) final exam, each worth 100 points. In addition, there will be ten short quizzes for 10 points each. Letter grades will be assigned as usual: 360-400 pts is an A, 320-359 a B, 280-319 a C, 240-279 a D, and 0-239 an F.

**Scholastic Dishonesty:** Copying work done by others and passing it off as one's own is an act of scholastic dishonesty and will not be tolerated. However, permission for collaboration on *homework* is hereby granted.

**Americans with Disabilities Act:** The Americans with Disabilities Act (ADA) is a federal anti-discrimination statute that provides comprehensive civil rights protection for persons with disabilities. Among other things, this legislation requires that all students with disabilities be guaranteed a learning environment that provides for reasonable accommodation of their

disabilities. If you believe you have a disability requiring an accommodation, please contact the office of Disability Services in Cain Hall (telephone 979-845-1637).
