### Paper Returning Request

To facilitate the return of quizzes, exams and homework assignments in a timely manner, I will place the papers on a side desk for you to pick up at the beginning or end of class and/or pass the papers down the rows of the classroom. This means other people may see your quiz or homework grades. The grades for exams will be written on the inside of the exam so other students will not be able to see those grades.

If this is acceptable to you, then sign below on the line. If this is not acceptable, then do not sign below and you will be able to pick up your graded assignments up during office hours.
