

Math 152:516-518

Final Exam Information

- Where/When is the final exam? The final exam is scheduled as:

Date	Time	Place
M 12/12/2011	8:00am-10:00am	HELD 111

- The final exam is **comprehensive**, so review ALL material. Calculators will NOT be allowed.
- **Exam Format:** The final exam will be all multiple choice.
- Things to bring to the test: **scantron** #882-ES (this is the LONG skinny green scantron, not the quizzstrips), pencil, eraser and your student identification card.
- **Office Hours** during dead week: Friday, 12/09, 10:00am-1:00pm.
- It is advised that you
 - Read over the Lecture Notes.
 - Work Exams 1,2,3.
 - Work review problems (notice that it doesn't cover all the material).
 - For topics you are struggling with, rework the associated webassign and suggested homework problems.
- If you have a **dispute** about your Exam 3 grade you have until Friday, December 9th to inform me about this (come to office hours, or send e-mail to make an appointment).
- If you have a dispute about your quiz/lab grades, you have until Thursday December 8th at 5:00 pm to address this dispute. If you need to contact your TA Aaron: agolds@math.tamu.edu
- All **grades** are in the WebAssign GradeBook now. Check all your grades carefully. If you think that some of your online homework grade is not correct, let me know about it until December 9th at 5:00 pm.
- Once **final grades** have been assigned, they are final. I do not change grades for any reason unless there is a miscalculation in the computed average.
- Due to privacy issues, I cannot discuss grades over email or phone. Thus I will not reply to any e-mails asking about exam scores. If you would like to look your final exam, I can meet with you at the start of the Spring 2012 semester. For this send me an e-mail requesting an appointment and I would be happy to meet with you then.
