

MATH 220: Information Sheet

due at the beginning of class on Monday, September 2, 2013

Fill out the following information about yourself.
Note that a picture is required!

Tape; glue
or staple
your picture
here!

- Your full printed name:
- Name you prefer:
- Your section:
- ¹ Your phone number:
- Your signature
- Your hometown
- ²Your major, or something you might be interested in majoring in.

- The courses you are enrolled in this semester:

- Something interesting about yourself that will help me remember you:

- Tell me about something you worked for in order to accomplish, and that you are proud of:

¹I rarely use these, but there have been a few occasions where it has been good I've had it.

²words rather than abbreviations would be nice here

This assignment will count as part of your participation grade. To get full credit you must

- 1. Make a response for each of the items listed above.*
- 2. Securely attach your identifiable photograph to the sheet face out so I can see it (no loose photos, no paperclips).*
- 3. Make sure the photo is small enough to fit within the edges of the sheet and is not covering any of your responses to the other items.*
