

Math 150 Exam Instructions

1. Get out your pencil, calculator, and student ID.
2. Turn your cell phone OFF (not on vibrate).
3. Put your backpack and all other materials at the front or back of the room.
4. Check the list for your seating assignment.
5. Clear all memory on your calculator and line up for calculator check.
6. Take your seat and stay there until you finish your exam.
7. When you receive your exam, read the front carefully and sign your name.
8. Class ends at 9:15, at which time you need to turn in your exam so that the room can empty for the next class.
9. When you finish your exam, turn it in and present your ID before leaving.
