OTHER POLICIES

1. eHOMEWORK will be assigned from the WebAssign Homework system. Late eHOMEWORK will NOT be accepted. Rather, the lowest 5 eHOMEWORK grades will be dropped. The remaining grades will be averaged and then rescaled to 30 points.

2. QUIZZES will be given in lab or lecture and will not be announced or they may be Take-Home QUIZZES due on announced dates. QUIZZES will each count equally. There will be NO make-ups for In-Class QUIZZES. Late Take-Home QUIZZES will NOT be accepted. Rather, the lowest one QUIZ will be dropped. The remaining grades will be averaged and then rescaled to 90 points.

3. MAPLETS FOR CALCULUS will be done in lab and at home. There is no grade but the material will be reflected in the quizzes and exams.

4. MATLAB assignments will be given in lab. Students will work in pairs. They are due at the beginning of the next lab. Late labs will not be accepted. Rather the lowest 1 lab will be dropped. The remaining grades will be averaged and then rescaled to 30 points.

5. You must have your ID with you at all exams. CALCULATORS and PHONES are NOT allowed. MAKE-UPS for MAJOR EXAMS will be given only in case of an absence authorized under University Regulations. You will need a note from your doctor or your academic dean’s office. If you know in advance that you will miss an exam, please contact me in advance. If you email me, be sure to include your phone number.

6. ATTENDANCE is REQUIRED. Attendance will be taken. If you sign the roll sheet, you are expected to remain in the classroom for the entire 75 minutes. More than 2 absences may have a detrimental effect on your grade especially in borderline cases.
