OTHER POLICIES

1. HOMEWORK will be assigned from Stewart but will not be collected. You are encouraged to work together on this homework.
2. HOMEWORK will be also be done on-line using the iLrn system. There is a penalty system for late homework. The lowest one homework will be dropped. The remaining grades will be averaged and then rescaled to 40 points.
3. QUIZZES may be given in lecture or lab and may not be announced. There will be NO make-ups for quizzes. Rather, the lowest one quiz will be dropped. The remaining grades will be averaged and then rescaled to 60 points.
4. MAKE-UPS for MAJOR EXAMS will be given only in case of an absence authorized under University Regulations. You will need a note from your doctor or your academic advisor. If you know in advance that you will miss an exam, please contact me so that you can take the make-up in advance. If you have trouble reaching me, leave a message with the Math department secretaries (845-3261) and *be sure to leave your phone number*.

Collaboration on assignments, either in-class or out-of-class, is forbidden unless permission to do so is granted by your instructor. Typing notes/formulas into your calculator is also considered cheating.
