Many questions are fill in the blank. To answer the question, click inside the input field and type in your answer.

A woman walks due west on the deck of a ship at 4 mi/h. The ship is moving north on the surface of the water. The effective speed of the woman, relative to the earth, is ________ mi/h (speed), and her direction is ________ (direction).

Answers to these questions can be in the form of: numbers, letters, words, or sentences. When you place the cursor in the answer blank, you will be given a hint on whether the answer needs to be an exact answer or if an approximation is acceptable.
Some fill in the blank questions will require you to open a ‘Math Palette’. To do so, click the box ‘Open Math Palette’.
This will open a new window where you may type in your answer using your keyboard and the buttons located around the input field.

If you are unsure about the buttons, click the ‘Help’ bubble.

After you have input your answer, be sure to click ‘Submit’.
