Please be assured that we will keep all of this information secure and confidential.

If you don't remember your user name or password, you can look up your user name or password now.

If you have purchased from this ecommerce site previously, click LOG IN and enter your username/password. If this is your first purchase from us, click REGISTER and you should see the following. To avoid errors, pay special attention to items in red.

**Step 1 - Name & Password**

Type a user name and password. You'll use these each time you visit Thomson Learning US Store.

<table>
<thead>
<tr>
<th>User Name</th>
<th>8-12 characters</th>
</tr>
</thead>
<tbody>
<tr>
<td>Password</td>
<td>8-12 mixed letters and numbers Do not use your user name</td>
</tr>
</tbody>
</table>

**Note:** You cannot change your user name after you save it. However, you can change your password and other information at any time by clicking Customer Information or contacting Customer Service.

**Step 2 - Checkpoint**

A security checkpoint is a question to which only you know the answer. Before you view store screens that contain confidential information, you answer a security checkpoint you define here. This protects your privacy.

Type a question and an answer. For example,

- **Question:** What is my favorite song?  **Answer:** Happy Birthday
- **Question:** Big  **Answer:** Dipper
