ThomsonNOW Homework System [NEW USERS]

To get started on ThomsonNOW, please follow the steps below. If you want more detailed directions, go to page 2. If you run into technical difficulties, please contact tech support [information at the bottom of this page].

STEP 1: Go to www.ilrn.com.

STEP 2: Click on the link for New Users in the upper left corner where it says "Create an Account."

STEP 3: Click on the orange link labeled "Student."

STEP 4: Select Texas from the drop-down menu for Location and then type Texas A&M as the School Name. Then click "Search."

STEP 5: Click the link for Texas A&M University (College Station, TX) and then Continue.

STEP 6: Click the small circle next to the option "My instructor gave me a code to register for a class." (This is in the first box below the picture of the key.)

STEP 7: Type the Course Key for your class into the boxes that appear. Note: This code is case sensitive. Then click "Continue."

STEP 8: Fill in the requested information. It is preferable to use your university email address as your username. Be sure to use your full correct name as it appears in the university records and enter your UIN in the box for the Student ID. Click "I Agree" at the end of the agreement statement, and then click "Continue."

STEP 9: You should now see a link that says "Start using ThomsonNOW." Click this link.

STEP 10: After clicking the link in Step 9, you will be taken to the main page of ThomsonNOW. There will be 6 orange tabs at the top of the screen. Click the tab labeled "Assignments/Tests." If your instructor has assignments, this is where you will find them. Choose which assignments to view on the top right of the screen. The choices are to view "All Assignments" or "Only assignments I can take". Click on the assignment column headers to sort the assignments. Congratulations - you are finished!

Friday 8:30am 6:00pm;
Sunday 2:00pm 9:00pm Eastern Time
More detailed directions:

STEP 1: Go to www.ilrn.com.

STEP 2: Click on the link for New Users in the upper left corner where it says "Create an Account." You should see something like the screen below.

![ThomsonNOW login screen](image)

STEP 3: On the next screen click on the orange link labeled "Student."
STEP 4: Select Texas from the drop-down menu for Location and then type Texas A&M as the School Name. Then click "Search."

STEP 5: Click the circle for Texas A&M University (College Station, TX) and then Continue.
STEP 6: Click the small circle next to the option "My instructor gave me a code to register for a class." (This is in the first box below the picture of the key). A new box will open for you to enter the code.

STEP 7: Type the Course Key for your class into the boxes that appear. Note: This code is case sensitive. Then click "Continue."

STEP 8: Fill in the requested information. Be sure to use your full correct name as it appears in the university records and enter your UIN in the box for the Student ID. Click "I Agree" at the end of the agreement statement, and then click "Continue."
STEP 9: You should now see a link that says "Start using ThomsonNOW." Click this link.

STEP 10: After clicking the link in Step 9, you will be taken to a system check. If you do not pass the system check, you should contact tech support at the.support@thomson.com. You may enter ThomsonNOW, but there may be a problem taking your assignments. A computer at a campus computer lab is a good idea until you contact tech support. You should also look at the upper part of the screen to see if a script needs to be enabled.
**STEP 11:** You will be taken to the main page of ThomsonNOW. There will be 6 orange tabs at the top of the screen. Click the tab labeled "Assignments/Tests." If your instructor has assignments, this is where you will find them.
