MATH 142  
Homework # 11  
CIRCLE Section #: 503 504 506 Seat#:________________

(5 pts.)
1. Get all papers (quizzes, exams, and homeworks - excluding this homework, Q1 (notecard) and Q8 (attendance quiz)) out of my office (BLOC 630E) by **4:00 PM, April 29th**. You cannot pick up other classmates’ papers!

(5 pts.)
2. MAKE UP at least one question (do not use questions from the book or any other source) which will be used for a final exam review. The difficulty of present and future reviews will be reflective of the questions submitted. The questions must be CLEARLY written on this paper and submitted to me in class on **Monday, April 21st**. If your last name begins with the letter A-E, make up at least one question from the material covered on the first exam (Ch. 1). If your last name begins with the letter F-M, make up at least one question from the material covered on the second exam (Ch. 2, 3.2, and Ch. 4). If your last name begins with the letter N-Z, make up at least one question from the material covered on the third exam (Ch. 5 and 6.1-6.5). Please label each question with the section where you believe the material is covered in the book.
