

TEXAS A&M
UNIVERSITY

Department of Mathematics

Online Homework Information

Math 141

Textbook and Online Homework Access Options

- The textbook for Math 141 is “Finite Mathematics for the Managerial, Life, and Social Sciences,” 11th edition, by Tan
 - A loose-leaf version of the text is available in the campus bookstore.
 - An eBook version of the text is available in the online system WebAssign.
- To have access to the online homework and eBook within WebAssign, you will need to have an access code or purchase access online.
 - A new loose-leaf book purchased at the campus bookstore should include an access code.
 - If you prefer to purchase the eBook version of the text instead of a hard copy, you can either purchase access directly from WebAssign online, or you can purchase a paper access code from the bookstore.

Accessing WebAssign

- You will need to login to WebAssign to purchase Homework and/or eBook access or to enter in a paper access code. To start this process go to the URL below.

Tip: bookmark this page for quick access to WebAssign.

- At the Texas A&M Central Authentication System's site, type in your University NetID (or UIN) and password and then click LOGIN.

Accessing WebAssign

- Until you purchase access, the following screen will appear.

A screenshot of a WebAssign notification screen. At the top, there is a blue header bar with the text "WebAssign Notices". Below the header, the main content area is white. The text "YOUR GRACE PERIOD ENDS IN 13 DAYS" is displayed in a bold, dark font. Underneath this, a smaller line of text reads "To continue using WebAssign, verify payment by purchasing access or entering an access code." At the bottom of the notification, there are two options: a link that says "I'll do it later" and a red button with the text "Verify Payment".

WebAssign Notices

YOUR GRACE PERIOD ENDS IN 13 DAYS

To continue using WebAssign, verify payment by purchasing access or entering an access code.

[I'll do it later](#) [Verify Payment](#)

Continuing Trial Period

- **IMPORTANT:** Until you are 100% sure that you are going to stay in the Math course for which you are currently registered, do NOT click “Verify Payment.”
- Until you are 100% sure, you can continue in WebAssign with a trial period for 14 days. To do so click “I’ll do it later” and you will be taken directly to the course for which you are registered.
- The trial period has an expiration date. After this date, you will not be able to access WebAssign until access has been purchased or a code has been entered.
- Once you are ready to enter in your access code or purchase access, click “Verify Payment.”

Purchasing Options

- If you have an access code, enter the code and click “Redeem” on the left.
- If you are purchasing access directly from WebAssign, click “Continue” on the right.

WebAssign Instant Access for Tan's Finite Mathematics for the Managerial, Life, and Social Sciences, Single-Term
