<p>NetID: <input type="text"/></p> <p>Password: <input type="password"/></p>	<p><input type="button" value="LOGIN"/></p> <p><input type="button" value="Activate Your NetID"/></p>

Enter your netid and password then click on LOGIN.

Textbook and Online Homework

- Until you purchase an access code, the screen below will appear. If you choose to continue your trial period, then you will be taken to your WebAssign class home page. Keep in mind that this trial period has an expiration date. After this date, you will not be able to access WebAssign until the access code has been purchased.
- When ready, choose “purchase access online” and click on “Continue”.

WebAssign Notices

⚠ According to our records you have not yet redeemed an access code for this class or purchased access online.

The grace period will end (the date appears here) After that date you will no longer be able to see your WebAssign assignments or grades, until you enter an access code or purchase access online.

I would like to:

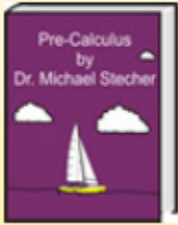

purchase access online ← Select "purchase access online then click on Continue.

continue my trial period

Textbook and Online Homework

- When you choose to purchase your code, then the following screen will appear. Check the box in the upper left, and then click on “Enter payment information.”

Math 150, section 501-506

PreCalculus at Texas A&M - 1e by Manuel, Stecher, Wells

Single-term access to homework and eBook

Textbook and Online Homework

- You will make the payment via PayPal. Enter the information to complete and finalize your purchase.
 - If you have a PayPal account, you can use it to make your purchase.
 - If you do not have a PayPal account, you can pay using a credit card as a PayPal guest.
- Once the purchase is finalized, you will be taken to the class home page.

Viewing the Textbook

- From the class homepage, the textbook can be found in the “About this Class” section located in the lower right of the screen. Click on “PreCalculus at Texas A&M – 1e” to get an expanded view of the text.

The screenshot shows a section titled "About this Class" with a light blue header. Below the header, the text "Functions, Trigonometry and Linear Systems" is displayed. To the left is a book cover for "Pre-Calculus by Dr. Michael Stecher" featuring a sailboat on a purple background. To the right is a cyan button with a book icon and the text "PreCalculus at Texas A&M - 1e" and "Manuel, Stecher, Wells". A red arrow points from the text "Click here to view the textbook." below to the cyan button.
