

**Online Homework Information for
Math 171, 172, or 221 at TAMU**
(Only if your instructor is
using WebAssign)

Online Homework Access

- To have access to the online homework within WebAssign, you will need to purchase access within WebAssign.
- When purchasing access, you also have the option to purchase an eBook version of your textbook within WebAssign.
- You also have the option of purchasing homework access and/or the eBook for multiple semesters – called “lifetime” access. However, it is only recommended that you purchase “lifetime” access if you know for a fact you will be using WebAssign in Calc 1, 2, or 3 at TAMU in a future semester. (So, don't purchase lifetime access if you are in 221.)
