

Save Money on Your Math Textbook and Homework Access Code!!

Howdy Math 151 and Math 152 Students!

The math department has been informed that the prices of the Stewart Early Vectors (1e) eBook and WebAssign access code has risen for Spring 2011. In an effort to save money for TAMU students, the TAMU math department has worked with Cengage Publishing Company on a solution to save you money. To take advantage of these savings follow the steps outlined below.

- 1) Goto <http://www.cengagebrain.com/micro/tamumathcourses>.
- 2) From the drop down menu, choose "Math 151 - Calculus I, Math 152 - Calculus II, and Math 251 - Calculus III".
- 3) Select the option you would like to purchase and click on Add to Cart.
- 4) Complete the check out process.

After you have successfully purchased your textbook and access code, Cengage will mail you a WebAssign access code printed on paper. It will take up to one week for the delivery of the purchase, so it is imperative that you place this order **no later than January 23, 2011**. Once you receive the access code in the mail, you will need to type the access code into WebAssign.
